Business Travel PAC (BTPAC) is a federal political committee that makes contributions to federal candidates and committees. Contributions to BTPAC are voluntary and any member has a right to refuse to contribute without reprisal.

The contribution guidelines are merely suggestions and a member may contribute more or less or not at all without concern of favor or disadvantage by the association. Contributions are not deductible as charitable contributions for federal tax purposes.

Federal law requires BTPAC to request the name, address, occupation and employer for each person whose contributions exceed two hundred dollars (\$200.00) or more in a calendar year.
